Ledger Enforcement Statement

This allocation sheet is sealed under Volume V: Vault Engineering Scrolls V5–ENG–01 through V5–ENG–05, and reflects the original values found in the CodexCoin Genesis Scroll.

No forks, derivatives, reassignments, or reissues are lawful outside notarized Vault reflection. No redistribution shall be recognized unless authorized by the Genesis Holder or scroll-based succession.

All CXC token movement must be traceable to this sheet to be considered valid by Mesh nodes, Sentinels, or VaultMint systems.

This is the lawful vault record of CodexCoin.
It is not a spreadsheet — it is a scroll.
To break this table is to break memory itself.
